"Tell the Truth and Don't Be Afraid"

Saturday, Sept. 12, 1953

Eastern Illinois State College

Charleston, Illinois

## Bloodmobile unit to visit campus Wed., Thurs.

### Ben Bradley to play for registration dance

BEN BRADLEY and his popular 12-piece dance band will play for the fall quarter registration dance Monday, September 14. The dance will be held in the Old Auditorium and will run from 8:30 p.m. to 11 p.m.

Now a well-known favorite in the Midwest, Bradley first organized his band on the East coast and spent many years playing prominent hotels and ballrooms in New York and other eastern cities. In addition to his other duties, Bradley served as a musical director for the National Broadcasting system in Radio city, New York.

A top attraction with the college clientele, the Bradley aggregation has in recent years appeared at such dances as the University of Illinois Homecoming dance and other college dances in this area.

The dance will be an informal affair. No admission will be charged.

### 500 frosh on campus for orientation week

FRESHMAN ORIENTATION week came to a close last night as nearly 500 freshmen arranged schedules and took tests, according to Dr. Ned Schrom, director of admissions.

Registration party will be held in the Student Lounge tonight for freshmen and upper classmen, according to Jo Hunter, student chairman of freshman orientation. The party will be informal.

Leon Vogel's dance band played for a freshman dance in the Old Aud last night. Other activities for freshmen included a freshman mixer in Old Aud Thursday night and a mixer sponsored by the Lincoln-Douglas residence halls Wednesday.

BLOODMOBILE UNIT of the Red Cross will visit Eastern's campus Wednesday and Thursday, September 16 and 17, according to Mrs. Harold Cavins, college chairman of the blood drive. The unit will be set up in the Women's gym of the Health Education building.

Blood unit will be in operation from 1 p.m. to 7 p.m. on the two days.

Persons between the ages of 18 and 60 are eligible to donate blood. Persons under 21 must have the written consent of parents or guardian before donating blood.

### Registration schedule

REGISTRATION BEGINS at 8 a.m. today. Below is the alphabetical schedule of registration.

8 a.m.—A through D

9 a.m.—E through K

10 a.m.—L through R

11 a.m.—S through Z

2 p.m.—All students not pre-registered.

### Important shifts in class hours

SEVERAL CHANGES have been made in the schedule for the fall quarter, according to Hobart F. Heller, dean of the college. Schedule changes are as follows.

Music 120 will be changed from 8 a.m. to 10 a.m. Room number for the course will be M46.

Home economics 202 will be changed from 11 a.m.-10 a.m. on Monday and Thursday to 1 p.m.-2 p.m. on Monday and Thursday.

Section I, Home Economics 203 will be changed from 1 p.m.-2 p.m. on Monday and Wednesday to 11 a.m.-10 a.m. on Monday and Thursday.

Latin 120 and 220 will have hours arranged by the instructor.

Dean Heller suggests that students taking these courses note the hour changes and arrange their schedules accordingly.

Advisers will know of the class changes and will inform students of the change.

Student chairman of the drive, Mary Jo Voorhies, stated that pledge cards for the drive would be distributed to the dormitories and fraternity and sorority houses. Special table outside the gym of the Health Education building will be set up today to distribute pledge cards to persons living in private homes.

Cards may be turned in to the office of the Dean of Women or may be turned in at the desks of the dormitories.

Due to the short preparation for the drive, many students will not be able to get pledge cards signed. In that case, students who wish to donate blood may do so by just "walking in" to the Bloodmobile headquarters.

Dietary precautions to be taken in the four hour period before giving blood are that no fats or fatty foods be eaten during this time.

Blood is still needed for men in the armed services, according to recent information published by the Red Cross. Another use for the blood is the making of the precious gamma globulin, the new polio serum.

Part of the blood donated in the drive will remain in the Charleston hospital for local use.

College participation in the past drives has accounted for 40 to 50 per cent of the Charleston area quota. Last spring, the college accounted for nearly 50 per cent of the Charleston quota.

Additional announcements will be made at registration and the first of next week, stated Miss Voorhies.

## Bloom choses Homecoming play; slates tryouts for Wednesday

SELECTION OF a Homecoming play has been made, according to Prof. Earl P. Bloom, play director. Name of the play is "Love Rides the Rails," or "Will the Mail Train Run Tonight?" The play is a modern take-off on the old-time melodrama.

Tryouts for the play will be held at 7 p.m. next Wednesday in the gym of the Health Education building.

Twelve principal parts are to be cast, according to Prof. Bloom. Other parts will be filled for extra or "olio" acts, said Bloom.

Rehearsals for the Homecoming play will get underway as soon as the parts are cast.

The play will be presented on the Thursday and Friday preceding the Homecoming dance and parade.

Homecoming play last year was "Charley's Aunt."

## Schrom

DR. NED Schrom has been named director of admissions and assistant professor of education. He replaces Dr. William H. Zeigel who is now head of the placement bureau.

Schrom is a graduate of the University of Missouri where he received his Ed. D. this year. Dr. Schrom formerly taught in the high school at Shelbyville.

Schrom's home was originally in York, Pa. He received his B. S. in Ed. in 1948, and M. Ed. in 1949.

## Dr. Metter retires from faculty

DR. HARRY L. Metter, former director of teacher training, has transferred to disability leave. Dr. Metter went on the disability leave at the end of the summer term.

Metter has been a member of the education department at Eastern since 1934 and director of teacher training and placement since 1937.

A prominent figure in the field of education, Dr. Metter was elected to membership in "Who's Who in American Education" in 1938. In 1949, he assisted the government of Occupied Germany in the establishment of a more democratic form of teacher education.

While in retirement, Dr. Metter plans to travel in certain parts of the country he and Mrs. Metter have not seen. Charleston will continue to be the home of the Metters.

## To use code system in registration--Heller

CLASS CARDS will be identified by a code number only, according to Dean Hobart F. Heller. Each card will have four or five numbers on it.

The number before the decimal point will identify the department in which the course appears. Department numbers are on the schedules placed at the tables in the gym.

Three numbers following the decimal point identify the course number. The remaining number will identify the section of the course, if any.

Students who do not understand the code system should consult their advisers, said Dean Heller.

## Freshmen must have green buttons by today

FRESHMEN MUST have their green identification buttons by today, according to Dr. Ned Schrom, director of admissions.

The identification buttons may be purchased in the office of the Dean of Women and the Dean of Men. Cost of the buttons is 25 cents.

## Bandleader

BEN BRADLEY will play for the annual fall registration dance Monday. Dancing will be from 8:30 p.m. to 11 p.m.

## Pres. Buzzard to speak at first assembly

PRES. ROBERT G. Buzzard will speak at the opening assembly program at 10 a.m. Wednesday in the Health Education building. The President will deliver his annual welcoming address and bring students and faculty up to date on the state of the college.

Probable topics of his text will be finance, expansion plans and affairs of general interest at the college.

## 'These Twenty Years' selected for '53 Homecoming theme

HOMEcoming THEME for the 1953

Homecoming has been announced by Miss Marilyn Harris, student Homecoming chairman. The theme was named last spring before the end of the spring quarter.

Committee chose "These Twenty Years" for the theme. It is to celebrate the 20 years that Pres. Robert G. Buzzard has spent as president of the college. Pres. Buzzard came to Eastern in October of 1933.

Floats, fraternity and sorority house decorations are to be built around this theme, according to Miss Harris.

# 64 report for '53 Panther grid practice sessions

## 'News' staffers to meet Tuesday

A MEETING of all staff members and persons interested in reporting for the Eastern State News has been called for 2 p.m. Tuesday, September 15, by Editor Bob Bain. Meeting will be held in the News office of the Annex building.

It is important that anyone wanting to join the News staff should attend this meeting. Beats will be assigned and study of style and form will be a topic of discussion.

Students are not required to be enrolled in journalism classes to report for the News. Anyone with some interest in news gathering and reporting may join the staff, according to Dr. Francis Palmer, adviser.

## Replaces Metter

DR. HANS Olsen will replace Dr. Harry L. Metter as director of teacher training. Dr. Metter retired from the faculty at the end of the summer term. Metter had been on the faculty since 1934. He served as adviser to German school systems after the last World War.

Olsen has been a teacher of education at Eastern since 1938. He also served as acting director of extension and director of rural education last year.

## Football prospects look favorable with return of veteran backfield men

SIXTY-FOUR MEN reported to Coach Maynard "Pat" O'Brien's Labor Day football practice session. The Labor Day practice officially opened Eastern's grid season. Coach O'Brien will have two more weeks to prepare for the opening tussle September 26, with Lincoln university at home.

Prospects look good for the year with the return of two backfield men who aided Eastern in gaining its only IAC crown in 1948.

Back from service is Bob Smith, 200-pound halfback from Downers Grove, who lettered in 1947, 1948 and 1950. Also reporting for practice after completely recovering from a double hernia that put him out of action in the 1950 season is Harry Bauler, 195-pound fullback from Wheaton.

Sixteen of the 64 reporting players are lettermen, including Smith, Bauler and Roy Hatfield, who lettered as a center in 1949. Hatfield recently completed a tour of duty with the armed forces.

Position of quarterback is wide-open with the graduation of Paul Foreman last year. Three top contenders for the quarterback slot are Bob Thrash, Roger West and Sam Anderson.

Anderson is a sophomore transfer student from St. Louis university. Since the Billikins have no football program, Anderson is eligible to play this year.

Thrash, a sophomore from Tolono, played at Eastern last year and was understudy to Foreman. West is a freshman from Wyant.

Also out for practice but ineligible for competition this season is Gary An-

derson, 205-pound quarterback from Litchfield. Anderson is a transfer from the University of Illinois.

Other returning lettermen are tackles Gail Borton, Tower Hill senior, and Don Magsaman, Tolono junior. Bob Calvin, senior from Mt. Olive, will be returning to action as a guard. Other returning guard is Joe Summerville, senior from Champaign.

Hank Carter, sophomore from Gillespie, and Ron Landers, junior from Sullivan, will be back on the Panther squad as possibilities for the ends. Both men saw action last year. Seeking the center position he has held down for the past two years, will be Arnold Franke from Mt. Olive.

Lettermen halfbacks are Chuck Edgington, Crown Point, Ind., senior; Jim Fredenberger, Marshall senior; and sophomore Gary Newell, Pekin; and John O'Dell, East St. Louis. Back from the fullback position last season is Jim Griffith from Brazil, Ind. Griffith will see action as an end this year.

Of the 64 reporting players, only five are seniors. Six of the men are juniors and 19 are sophomores.

## Addition to training school nearly finished

NEW ADDITION to the temporary training school is nearing completion. Plans to move into the new building at the beginning of the school year have been delayed because of construction difficulties.

Grades seven and eight are to be housed in the new addition, according to Pres. Robert G. Buzzard. Grades seven and eight are now in the north rooms of the Annex building.

Other rooms to be housed in the new building are the grade school band room and a hot lunch kitchen and cafeteria.

## Miss Thomas suffers cerebral hemorrhage

MISS BLANCHE Thomas, registrar of the college, suffered a cerebral hemorrhage early last Wednesday morning. She was taken to the Charleston hospital for treatment.

At the time of the writing of this story, Miss Thomas' condition was reported as improving.

## Notice

FIRST REGULAR issue of the News will appear on Wednesday, September 23.

# Set schedule for winter entertainment program

## Programs range from Grand opera to horse opera, baritone, harpist

PROGRAMS FOR the winter entertainment have been scheduled, according to Dr. Harris E. Phipps, faculty head of the entertainment board. To date, four programs have been scheduled. However, for the last two years the entertainment board has been able to present more than the regularly scheduled programs to students.

Scheduled events in the entertainment series include a Grand opera, a horse opera, a baritone and a harpist.

Grand opera will appear first on the entertainment course for the year. It will be another Charles L. Wagner production. This year Wagner will bring "Il Trovatore" to Eastern. A full cast complete with orchestra will appear in the production October 29.

Wagner has presented programs at Eastern for the past two years. Last year the Wagner troupe performed the Gilbert and Sullivan musical "The Mikado" before Eastern students and townspeople.

Louis Sudler, a baritone, will appear in the second entertainment program on November 24. Sudler has appeared on radio and television programs. He has been the featured soloist with such noted symphony orchestras as the Minneapolis symphony, Chicago symphony, St. Louis symphony and others. Sudler has also appeared with the "Northerners" several times as guest soloist.

Virginia Barter theatre will present the third program of the entertainment series when they stage the grand-daddy of all horse operas, "The Virginian." Last year the Barter theatre presented William Shakespeare's "The Merchant of Venice." The Barter theatre group will appear at Eastern March 24.

Last program of the year will feature Mildred Dilling, famous harpist. Critics have named Miss Dilling as "the world's greatest harpist." She has a reputation for her ability to do the more difficult selections on the harp. With Miss Dilling will be her sister, a violinist.

The entertainment course is free to all students enrolled in the college during the quarter which the program appears. Tickets for the entertainment series are sold to townspeople and other persons in the area interested in the programs.

Extra programs for the entertainment series have not been scheduled, according to Dr. Phipps. Extra programs in the series are usually scheduled for the spring.

## Principal

**DR. T. A. Phillips has been named principal of Eastern State high school. Phillips has been a teacher of education at Eastern since 1948. The new principal will replace Dr. Ernest Campbell who resigned from the Eastern staff at the end of the summer quarter.**

## Panthers to play five home games this year

PANTHER GRIDDERS are scheduled to play nine games this season, five at home and four away. First game is with Lincoln university slated for Saturday, September 26. It will be a home game.

Other Panther games are:

- Oct. 2—Central Michigan (away)
- Oct. 10—Michigan Normal (home)
- Oct. 17—N. E. Missouri (home)
- Oct. 24—Navy Pier (away)
- Oct. 31—Southern (away)
- Nov. 7—Western (home)
- Nov. 14—Normal (away)
- Nov. 21—Northern (home)

## Homecoming fever invades campus

HOMEcoming FEVER is already catching a firm grip on the college as little more than a month of preparation looms ahead. Chuck Younger, Student Association president, has called a special meeting of the group to get Homecoming plans started.

To date, no orchestra has been signed. Dean Rudolph Anfinson made a special trip to Chicago this week with several promising prospects.

Mentioned among the prospects were the Jan Garber band, the Woody Herman band and several other top names in dance and concert music.

Fraternity, sorority and independent houses will have to start considering house decorations and float entries in the near future.

Prof. Earl P. Bloom has issued a call for tryouts for the Homecoming play which will be "Love Rides the Rails" or "Will the Mail Train Run Tonight?"

Other groups on campus are grooming for the big college celebration of the year. Coach Maynard "Pat" O'Brien will have three grid contests before facing the Northeast Missouri Tigers on October 17.

Election of a Homecoming queen will be sometime in the next three weeks. By the end of the first school week, all campus organizations will have caught the fever and Homecoming preparations will be in full swing.

## Younger calls special Association meeting

SPECIAL MEETING of the Student Association has been called by Pres. Chuck Younger. Meeting is set for 7 p.m. Thursday, September 17, in Room 9 or 10 of Old Main.

Younger said that the purpose of the meeting was to get the Homecoming activity planning under way. Homecoming will be October 17.

Roll will be taken at the special meeting. All members of the Senate will be required to attend, according to Younger.
